Hannah's Worship Song, 1 Samuel 2:1-10

1) What are some of your favourite worship songs? What makes them special to you?

2) Why do requests tend to outweigh praise in our prayers?

3) What are ways that we can intentionally include truths about God in our prayers so that we don't just focus on our feelings? What are some of God's attributes you could focus on?

4) When you look through the Bible, what are other examples where you see God "change the narrative/reverse fortunes"? How has God done this for you?

5) Take time to write a chorus of praise to our God. If you are comfortable doing so, share it with your small group so that you can magnify the Lord together.
